

United States Patent  
4,737,364

Granted: April 12, 1988

Inventors: **Theodore P. Kalogris**, Bethesda, Maryland

Assignee: **Reliv International, Inc.**, Chesterfield, Missouri  
Nutritional Dry Food Concentrate

FIELD OF INVENTION

*A highly nutritional dry food concentrate consisting entirely of plant and other non-animal natural components having a low calorie content and containing no added simple sugars. The nutritional dry food concentrate consisting of bioavailable ingredients is useful as a food supplement.*

The Commissioner of Patents and Trademarks

*Has received an application for a patent for a new and useful invention. The title and description of the invention are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.*

Therefore, this

United States Patent

*Grants to the person(s) having title to this patent the right to exclude others from making, using, or selling the invention throughout the United States of America for the term of seventeen years from the the date of this patent, subject to the payment of maintenance fees as provided by law.*
